"Even so every good tree bringeth forth good fruit."

Foreword

An acorn fell into the ground. Soon tiny leaves were seen springing up amid the grass. It wasn't long before a trunk was being formed. A tree was coming into being. As years rolled by, it shed its old bark for new and grew more branches which held more leaves. Its shade grew each year and stretched out to a greater circle.

The tree is grown now. Its limbs are strong and can withstand the storms that come. Its trunk is thick and can beat back the forces from without. Its protection keeps its vicinity beautiful.

The tree began from a small, insignificant acorn which held in itself the germ of life. It gained a foothold and grew to be a tree that spreads its mighty branches to give strength and protection to all who will stop and rest in its shade.

The thought of a Christian school in Nashville began in the hearts of James A. Harding and David Lipscomb. That thought soon became something tangible. The Nashville Bible School began with only a few students. The years passed, and the Nashville Bible School grew. More courses were offered and more students enrolled. As the shade of the tree grew from year to year, so the influence of the Bible School increased.

The Bible School is now a junior college. Its faith is strong, and it has weathered many storms. Its faculty withstands the evil forces of the world. As the tree, David Lipscomb College is growing and becoming stronger. In the near future it will become a four-year college and will keep its vicinity pure by the influence which it spreads among youth.

D. L. C. began in the heart of its founders. It gained a foothold and grew. All who pass within its portals find peace, strength, encouragement, and a truly Christian concept of life. Lipscomb is a mighty tree—something that God has made.

Dedication

To Brother John L. Rainey, a humble and sincere Christian, who has sacrificed himself and has become a servant of his fellow men; who has the respect of all his pupils; who gives them Christian ideals in his practical classroom teaching; who laughs with them and gives them cheer; who gives them courage to carry on when the going is hard; who is filled with wisdom and love for the truth; who is faithful to the Word of God; who will stand the test of life and be victorious, we, the 1945 Backlog staff, dedicate this book.

Administration

David Lipscomb College is proud of its Administration. Good Christian men like these have made our Christian schools the bulwark of Christianity which they are today. Realizing the necessity of Christian education, these men have dedicated their lives to serving us—Christian boys and girls. They teach us not only from the textbook, but by the good lives which they live before us. A friendly smile for each student and a bit of timely advice, combined with fine Christian character, have won from every person love and respect for these leaders of David Lipscomb College.

Faculty

The faculty at David Lipscomb College is made up of men and women who have a personal interest in each student who comes to this school. By sitting in their classes the Lipscomb student not only acquires a superlative education, but also comes in contact with a tangible Christianity—a Christianity in which he has a part.

As the senior says farewell to Lipscomb, he looks back for one last glance at the teacher who has meant so much to him. Perhaps he is sad for a moment. Then he realizes that as he steps out into the world he is but making room for others who will be blessed by these same teachers.

WATER MAPLE

"Even so every good tree bringeth forth good fruit."

Seniors

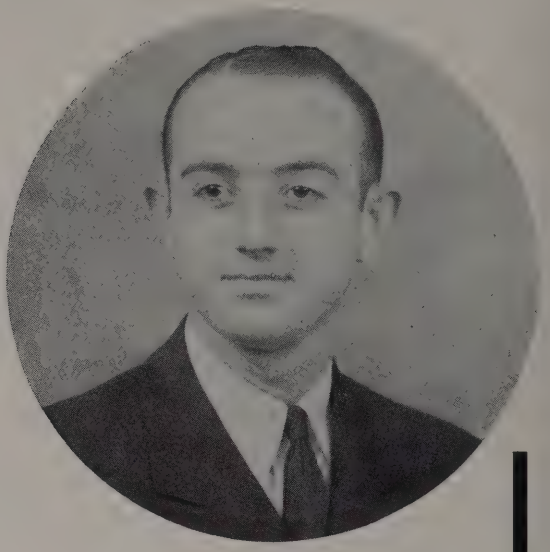

Coming from the North and South, the East and West, we, ninety-seven freshmen, entered D. L. C. in the fall of 1944. For the first few weeks, the seniors had to give us a helping hand, but we were soon fixed in our life at David Lipscomb. We began early to take our part in the activities of the college campus.

In the fall of '45, we came back as seniors. It was our time to help the freshmen find their places by giving them the annual Freshman Mixer. We took the lead in the class contests of raising funds for the Expansion Program and were the first winners. As the year ended, we slowly departed from our beloved Lipscomb with a small realization of what it had done for us and a hope in our hearts that we had given something to Lipscomb to make it better for those to follow us.

AMERICAN ELM

"Even so every good tree bringeth forth good fruit."

Religion

Preeminence of God's Word—An immovable ideal—Steadfastness in purpose—Development of Christian character.

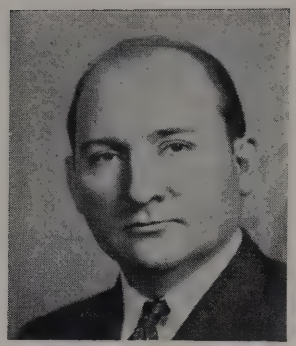

In a world of war dominated by sin, David Lipscomb College is stretching forth her arms to guide young people who would dare to be Christian in an unchristian world. By the divine providence of God she has stood and shall continue to stand firm in the faith of our fathers, never wavering in loyalty to the noble lives of sacrifice which marked her beginning. Her goal is Christian character. Her method is one of instruction from God's Word, and her reward is the joy that comes from seeing lives devoted willingly to the greatest cause of all time—the cause of Christ.

RELIGION

"Give diligence to present thyself approved unto God, a workman that needeth not to be ashamed, handling aright the word of truth."

Daily Bible lessons—God's Word exalted—The fear of the Lord—The beginning of knowledge.

Since Christian character is the main objective of Lipscomb, instruction from God's Word becomes the vital method in which this goal is attained. Teachers are qualified and eager to guide young lives in the developing of useful Christian characters. Not only are they qualified, but they are personally interested, because they realize the great responsibility that rests upon their shoulders. Association with Christian teachers and Christian classmates in the diligent study of truth makes for lasting impressions of days spent in daily Bible classes at Lipscomb.

DEVOTIONALS

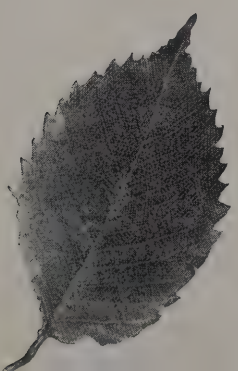

Girls'
Evening Devotional

When the activities of the day are finished, the girls of Sewell Hall gather in the reception room for a period of worship. The songs, prayers, scripture readings, and inspirational talks help them to keep in mind the greatness and goodness of God. The devotional period gives them a quieted mind, so they can lie down to rest in peace.

Knowledge and strength for service, consolation for sorrow, and hope for eternal life bring these young men together for daily communion. Uniting their voices in song, they seek a closer union with their Father while losing themselves in the common cause of Christ.

REVIVAL MEETINGS

H. A. Dixon

John B. Hardeman

The fall and spring meetings, conducted by the college congregation, are truly eventful occasions in the Lipscomb school year. They are cherished and remembered by all the students because of the instruction and inspiration they receive from the hands of such men as Brother John B. Hardeman and Brother H. A. Dixon. These men, in their simple way, proclaimed the Gospel of Christ so that it could be understood by everyone.

During these inspiring meetings many souls are brought to Christ and many others are lifted to a higher spiritual standing.

Brother C. L. Overturf, a faithful Gospel preacher and minister of the college congregation, aided in directing these meetings.

Preachers of the Gospel gather in fellowship

T. Q. Martin

Lecture Week at Lipscomb is one of the most outstanding events of the year. It is characterized with many inspiring speeches given by able Gospel preachers, such as Brother H. Leo Boles and Brother Gus Nichols. The students are inspired in the various classes and lectures of these capable men as they speak forth wisdom from God's divine Book.

It is a joy to see all the visiting preachers meet one another, renew old acquaintances, and extend the right hand of Christian fellowship to one another.

The eventful week is brought to a close by a banquet given in honor of those who have courageously given forty or more years of their life in the service of their Master.

Freshmen

Facing one of the most critical periods of history, this year's freshmen entered David Lipscomb College fully aware that theirs was the fight to win. Their class had enrolled students from all parts of the United States and Canada, the majority of these being the fairer sex. This did not hinder their progress, however, for they soon proved very valuable to the social life at Lipscomb when they entertained the seniors with a Halloween party. They were not long developing the well-known Lipscomb spirit. Throughout the year they raised money for the Expansion Program, their part in making Lipscomb a standard four-year college. They ended a successful year by saying farewell to the seniors at the annual Junior-Senior Banquet. These freshmen are an essential part of the life at Lipscomb. They are tomorrow's seniors.

MABLE HARDING

A fine Christian character sprinkled with a magnetic personality has won for Mabel Harding the title of Most Representative Freshman Girl. A happy smile — a kind word — cheerful service — with these traits she holds high in her life the ideals of David Lipscomb College.

Jay's good-natured Kansan laugh and his ready wit have made him popular with his fellow students. His fine Christian life and his versatility in campus activities have made him the Most Representative Boy of the 1945 Freshman Class.

Sports

High in the minds of the Lipscomb students is the support of Lipscomb athletics. The players, well known for their spirit and sportsmanship, are backed each year by enthusiastic fans regardless of the success of their teams. At David Lipscomb College mind and body alike are well developed in the field of competition, because of the Christian leadership and influence under which each athlete is placed.

THE BISONS

JAY CHURCH

By his leadership and ability, Jay has gained a recognized place in the sports of Lipscomb. His fighting spirit always helped the Bisons to stay in the game. He was probably the most dependable scorer on the team, but never once did he try to play the game by himself.

INTRAMURALS

The various activities of the 1944-45 intramural program have kept the students busy through the year. The season began with the softball tournaments, and immediately following them came the touch-football contests. These activities gave the spectators many thrills as they sat on the bleachers in Onion Dell during the autumn afternoons.

During the winter months basketball tournaments were enjoyed by both boys and girls. Combined with the basketball contests were the golf and free-throw tournaments.

The coming of spring invited the activities of all to the outside, and croquet, shuffleboard, and tennis competition began. These sports activities helped keep the students fit and happy for their daily routine of classes.

The Pepettes in their familiar purple and gold uniforms again this year added color and pep to the Lipscomb basketball games. With the drum sounding in their ears—left, right, left, right, left—they marched onto the floor, forming circles, boxes, arches, and letters.

There are certain things the Pepettes will always remember—the tryouts, how hard it was to keep in step, how straight everybody walked, how excited when the committee called your number—the scared but happy Pepettes who drilled for the first time at Hillsboro—the valentine made at the T. P. I. game—the look of surprise on Kathleen McCoy's face when Andrew Brown presented her with a gift from the Pep Squad—fun at the Vanderbilt game. All these incidents linger as fond memories in the hearts of thirty-eight Pepettes.

With Jane Alsup as mascot and Miss Reba Morton as sponsor and led by their captain, Kathleen McCoy, these girls closed a very successful series of drills at the last home game of the season.

Activities

Extracurricular activities play an important part in the college life at Lipscomb. Each student is encouraged to participate in activities outside regular class routine. Life is brightened and the monotony of work lessened as the student rushes through his classes to attend Glee Club practice or the well-known Lipscomb chorister practice. Every boy and girl at Lipscomb easily finds some activity or extracurricular work in which he is interested. Such advantages as these, given with the many other benefits that Lipscomb offers, make for a more versatile college life.

Under the leadership of Carolyn King and Telette McWhorter, and sponsored by Brother Pullias, the *Babbler* staff has given to the students week by week a report on the activities of the campus. The school paper carries many interesting editorials and features—all written by members of our student body. These articles originate in the well-known print shop, governed by Brother Kuykendall and operated by Lipscomb students. Lipscomb depends on this staff to give to them the first report of elections and other important school announcements. The work of the *Babbler* staff is interspersed with pleasure as they gather for picnics and banquets to discuss their work. The bound *Babbler,* which the staff releases at the end of each school year, gives us a collection of events that we will always remember and cherish as a part of Lipscomb.

Tradition demands that David Lipscomb College develop a well-trained music department each year. This year the Glee Club, under the direction of Miss Mona Sieh, has kept that tradition intact. Chapel programs, Christmas carols, concerts, May Day music—these are the contributions the Girls' Glee Club has made to this school.

DAVID LIPSCOMB HIGH SCHOOL

Harding Hall, the Home of the High School

The greatest experience with which youth comes in contact is their high school association and study. Acquaintances that last and memories that are indelibly impressed make up a part of life that every person cherishes. In high school, boys and girls are trained and their lives are molded to fit the future which must be faced fearlessly. Experience, the mother of all teachers, is gained in every walk of life—religion, society, athletics, learning and companionship. Attaining excellence in character, the height of popularity, the acme of physical training and coordination, highest grade reports—all are goals of every high school student. That's the aim of Lipscomb High School, and that's what each worthy student strives to attain.

PRINCIPAL OF HIGH SCHOOL

Brother Hamrick

As principal of David Lipscomb High School, Brother Hamrick has capably discharged his duties and classroom work. For many years he has served Lipscomb efficiently and faithfully. As a teacher, he gives to his students a knowledge that will prepare them for future life; as a principal, he gives to them a wise and understanding guidance. His firmness of will and exactness in purpose have only deepened the love and respect that the student has for him. A conscientious worker and a devout Christian — these words characterize the principal of our high school.

THE OFFICE

The principal's office serves as headquarters for all excuses, absence slips, permissions, and those well-known conferences. Mrs. Hamrick, wife of our principal, dominates this office with her friendly smile and efficient work. Along with her, Miss Willie Frances Hitt, a college senior, serves faithfully. Miss Ann Martin, a senior in our high school, helps daily with other students who serve at their vacant periods. A typical scene in Harding Hall is the waiting line that forms at eight o'clock each morning in front of Brother Hamrick's office. The principal at his desk, the secretary at her typewriter, telephones ringing, students wanting information — all goes on according to schedule, and such is a day in the high school office.

Brother Hamrick, Guy Pennington, Ann Martin

HIGH SCHOOL RELIGION

Brother Rainey's Typical Bible Class

Impressed regularly and inspirationally are the principles of Christianity in David Lipscomb High School students. Each student studies the Bible in a daily class as well as attending chapel exercises a few minutes each day. Under the guidance of Christian men and in an environment conducive to a well-rounded Christian life, each student is impressively taught a truly wonderful religion—Christianity. These are some scenes showing typical influences guiding our youth in the paths of righteousness—study, devotion, and actual participation in leading others in worship.

JENNINGS DAVIS, JR.

In Jennings Davis, David Lipscomb High School has found an athlete who will be classed with David Scobey and Pinky Lipscomb in the sports history of this school. Not only is Jennings an outstanding athlete; he is an outstanding student. He entered Lipscomb twelve years ago. Since that time his fine character and ability to get along with people have won for him many friends. Class plays, class offices, Student Board, and the BACKLOG staff are a few of the many activities in which Jennings has participated. Indeed, he is a student who knows and loves Lipscomb.

THE 1945 MUSTANGS

PEYTON ALSUP

THE COACH

The Mustangs have been blessed for the last two seasons with the most capable leader as their coach, Peyton Alsup. In 1944, Coach Alsup was greeted with a group of boys not any of which had over a year of varsity experience. This year all but three of those boys returned, and each was willing to do his best to make the team a success. Coach Alsup held a full-time job with the state, but was willing to leave his job each afternoon at four o'clock and coach the team. A fine job of coaching was done under these difficulties, as the year's record will show. Coach Alsup also was an accomplished referee in the city and was well known for his ability in this capacity throughout the state. Well liked by his boys, willing to sacrifice for them, a great admirer of good sportsmanship, always patient in his instruction, a man that the team could depend on to teach them the correct basketball technique, a fine Christian gentleman, trusted the team to do as he taught them, always kind, a great handler of boys, willing to work—that's Coach Alsup.

THE 1945 SEASON

After four weeks of hard practice, the Mustangs began the season by defeating Antioch. Inspired by this victory, they proceeded to win eight straight games, including wins over teams like Ryan, Howard, and Hume-Fogg. These victories placed the team at the head of the league standings. Immediately after the Christmas holidays, the Mustangs encountered Ryan High School, and with the pressure definitely upon them they dropped their first game of the season. Playing hot and cold ball for the rest of the season, the Mustangs finished the regular season with nineteen victories and seven losses. A truly remarkable record compared to the inexperienced group of players that greeted Coach Alsup at the beginning of the year. Not since 1937 has the high school produced a team with such a fine record. The high point of the year was the trip to Portland, Tennessee, where the team defeated the Ninth District champions, Portland High School. Finally the boys, having gained the third seeded position in the Eighth District, dropped their first game of the tournament by the largest margin of the season. Giving no excuses as to the loss, the boys accepted the defeat with tears in their eyes but happy that they had played the game showing true Lipscomb sportsmanship.

THE MANAGERS

Efficiency and promptness characterized the two erstwhile managers that served the Mustangs this year. Both Johnny Temple and Allan Bartlett served faithfully throughout the year, gaining much praise from the coach and the team. Their moral support, combined with the fighting spirit of the Mustangs, added much to the success attained by the team during the year.

SPORTSMANSHIP

Athletics at Lipscomb are different. It has long been a tradition at Lipscomb for sportsmanship, true sportsmanship, to reign high on the field of competition. Lipscomb teams in the past have been highly commended for their display of this admirable trait which is so conducive to the making of fine athletes. Always willing to give their best, fighting the hardest to the last whistle is a must in Lipscomb athletics. As was the case in 1943, the 1945 version of the Mustangs were awarded the trophy for good sportsmanship displayed in the eighth district tournament. Shown at the right is a picture of the award of which the boys represented are truly proud. Again Lipscomb salutes with pleasure another showing of its character building even on the basketball floor.

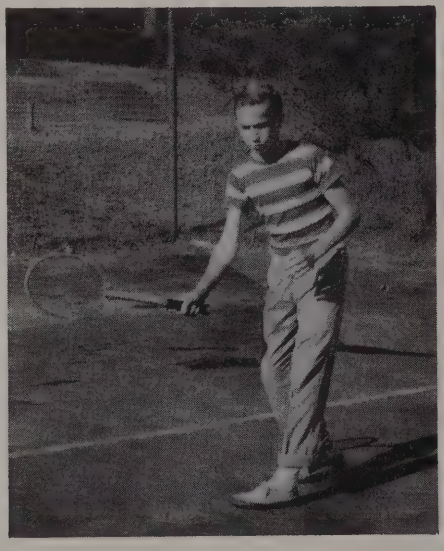

THE TENNIS TEAM

Coach Boyce
Bobby Mason

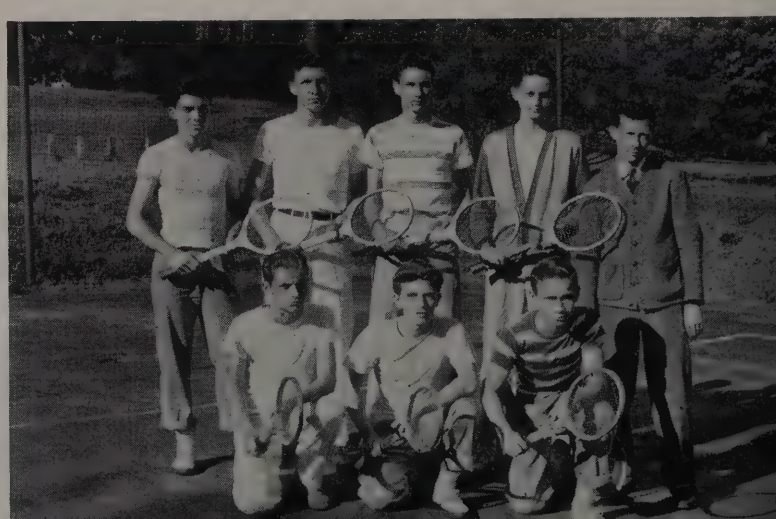

Jennings Davis, Jr.

John Netterville

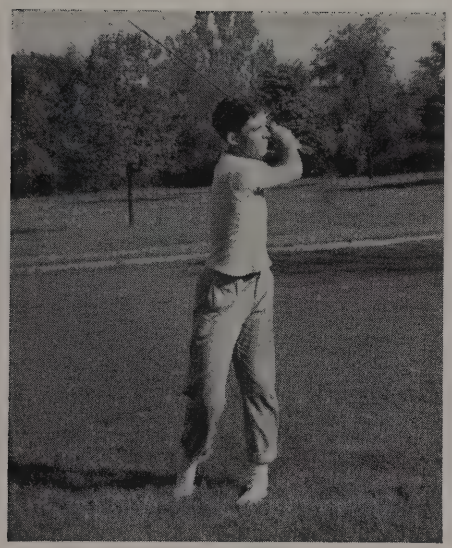

For many years tennis has been one of the most popular sports at Lipscomb. In the high school the Mustangs are and have been greatly feared for their competitive success in Nashville tennis circles. The year 1943 was the climax of the Mustangs' effort in this respect, for in that year they won the city championship and annexed the beautiful Kendall Cram trophy, which was inaugurated that year. Having lost that trophy last year to a fighting West High team, this year the Mustangs have hopes of regaining it. Jennings Davis held down the number one spot for the second straight year and is a co-favorite to win the championship. Bobby Mason, a sophomore, played the number two position, and on this his second year on the team will play on the number one doubles team with Davis. John Netterville, one of the most promising youngsters in tennis circles in Nashville, played the number three position and proved invaluable to the team. Guv Pennington held down the number four spot commendably. Jack Bradshaw, Roger Church, and James Sides, all inexperienced but willing to work, rounded out the team.

THE GOLF TEAM

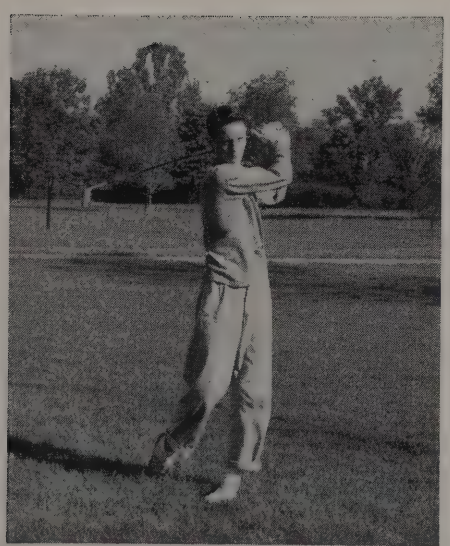

Bobby Mason

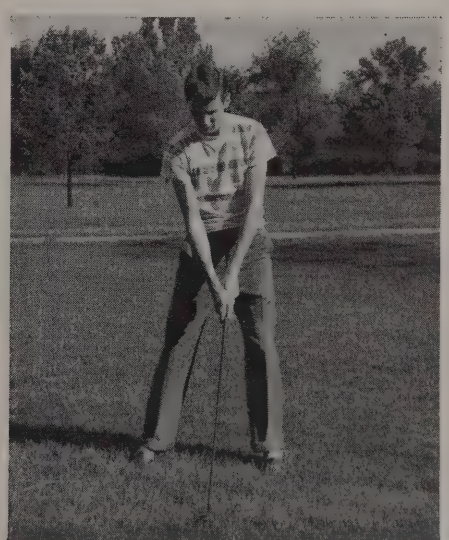

Coach Boyce
Jack Bradshaw

For the third straight year, Lipscomb has been represented in the Interscholastic Golf League. Lacking in experience, the team has had little or no success, but the enthusiasm with which the participants engage in this activity merits their effort in the sport. Jack Bradshaw, chosen as a junior member of one of the country clubs in the city because of his ability, leads the Mustangs and was on the team last year. Other members included Bobby Mason, Jennings Davis, Fred Stroop, and Guv Pennington, all of whom have had no varsity experience. The enjoyment of the sport by these players enables them to continue, though defeated, to compete with the better teams.

Graduates of Lipscomb
Congratulations and
Welcome!

For Advanced Work . . .

More and more graduates of David Lipscomb are choosing Harding for their junior and senior work. They find the same Christ'an spirit, the same high excellence of work, and the same human warmth and friendliness they have known and loved at Lipscomb. For the affection that joined the two great founders of these Christian schools still unites the students and teachers of both institutions. You will find a host of friends already here.
